

## BEAUTY

The smartness of Allen lines—the substantial workmanship in the upholstery and top—the brilliancy and wearing qualities of Allen finish—combine in expressing true car beauty.

Its greatest beauty, however, is in its performance ability—the beauty of fine mechanical construction.

### POLISH POLICE IRRESPONSIBLE SAYS POLISH MINISTER.

Warsaw: (By I. J. P. B.) Recently the Club of the Jewish Deputies in the Polish Parliament sent a letter to the Minister of the Interior protesting against the beating and torturing of the Jewish street merchants by the police of the 8th police commissariat of Warsaw. In his reply to this letter, the minister stated that he could not

hold the 8th commissariat responsible for these outrages, because some of them were committed by an insane policeman who is now under the supervision of the medical authorities. As for the rest, the Minister regrets to find that no prosecution of the offenders may take place because of the lack of evidence. The Jew Berkowitz, in regard to whose imprisonment and barbarous mistreatment the Jewish Deputies wrote the government official, has been freed after it was found that the charge against him of being a deserter was false.
